Our Process

Bagasse: Step-by-Step to Sustainability

Trusted Performance, Naturally Sustainable

Food-safe bagasse tableware designed for modern kitchens and responsible businesses.

Microwave Safe

Designed for convenient food reheating, our bagasse tableware maintains its strength and shape, making it ideal for everyday food service applications.

Freezer Safe

Suitable for chilled and frozen food storage, our products retain their durability and performance without cracking or losing their original shape.

Leak & Grease Resistant

Engineered to resist oil, moisture, and leaks, ensuring a clean, reliable, and mess-free dining experience for takeaway and food delivery.

100% Compostable & Plastic-Free

Made from renewable sugarcane bagasse, our products are completely compostable and plastic-free, supporting sustainable food packaging without compromising quality.
